Hot rolled weldable steel bars for pressure purposes with specified elevated temperature properties

National foreword

This British Standard is the UK implementation of EN 10273:2016. It supersedes BS EN 10273:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/107, Steels for Pressure Purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
