Glass in building — Coated glass

Part 3: Requirements and test methods for class C and D coatings

National foreword

This British Standard is the UK implementation of EN 1096-3:2012. It supersedes BS EN 1096-3:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/520/1, Basic and transformed glass products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
