National foreword

This British Standard is the UK implementation of EN 1147:2010. It supersedes BS EN 1147:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee FSH/17/9, Fire appliances and associated operational equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
