...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 1172:2011. It supersedes BS EN 1172:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NFE/34/1, Wrought and unwrought copper and copper alloys.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
