Rubber and thermoplastics hoses and hose assemblies for liquid or gaseous chemicals — Specification

National foreword

This British Standard is the UK implementation of EN 12115:2021. It supersedes BS EN 12115:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/66, Rubber and plastics tubing, hoses and hose assemblies.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
