

BSI Standards Publication

Feather and down - Test methods - Determination of the fill power (massic volume)

National foreword

This British Standard is the UK implementation of EN 12130:2018. It supersedes BS EN 12130:1998, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TCI/66/3, Fillings and filled articles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
