

Wastewater treatment plants —

Part 3: Preliminary treatment

The European Standard EN 12255-3:2000 has the status of a
British Standard

ICS 13.060.30

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 12255-3:2000, including Corrigendum December 2000.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags AC AC. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN Corrigendum 1 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted by Technical Committee B/505, Wastewater engineering, to Subcommittee B/505/40, Wastewater treatment plants.

A list of organizations represented on B/505/40 can be obtained on request to its secretary.

Further information regarding design and loading data can be found in the informative national annex.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Committee for Building and Civil Engineering, was published under the authority of the Standards Committee and comes into effect on 15 December 2000
