Slurry surfacing – Test methods

Part 2: Determination of residual binder content including preparation of samples

National foreword

This British Standard is the UK implementation of EN 12274-2:2018. It supersedes BS EN 12274-2:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/510/2, Surface treatments.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
