

BSI Standards Publication

Slurry surfacing - Test methods

Part 6: Rate of application

National foreword

This British Standard is the UK implementation of EN 12274-6:2018. It supersedes BS EN 12274-6:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/510/2, Surface treatments.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
