ICS 23.060.40; 91.140.40

National foreword

This British Standard is the official English language version of EN 12279:2000, including amendment A1:2005.

The start and finish of text introduced or altered by amendment is indicated in the text by tags **A1** **A1**. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN amendment 1:2005 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted to Technical Committee GSE/32, Gas governors, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
