British Standard

ICS 23.020.10

National foreword

This British Standard is the official English language version of EN 12285-2:2005. Together with BS EN 12285-1:2003, it supersedes BS 2594:1975.

The UK participation in its preparation was entrusted to Technical Committee PVE/21, Fabricated metallic tanks and equipment for storage tanks and filling stations, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
