Aircraft ground support equipment — Specific requirements

Part 12: Potable water service equipment

National foreword

This British Standard is the UK implementation of EN 12312-12:2017. It supersedes BS EN 12312-12:2002+A1:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/57, Air cargo and ground support equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
