Natural stone test methods — Determination of resistance to salt crystallisation

National foreword

This British Standard is the UK implementation of EN 12370:2020. It supersedes BS EN 12370:1999, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/545, Natural stone.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
