

Packaging — Flexible aluminium tubes — Wall thickness determination method

ICS 55.120

National foreword

This British Standard is the UK implementation of EN 12375:2009. It supersedes BS EN 12375:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PKW/0/-/10, Plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2009
