

Testing hardened concrete

Part 2: Making and curing specimens for strength tests

ICS 91.100.30

National foreword

This British Standard is the UK implementation of EN 12390-2:2009. It supersedes BS EN 12390-2:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/517/1, Concrete production and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 September 2009
