

Testing hardened concrete

Part 3: Compressive strength of test specimens

ICS 91.100.30

National foreword

This British Standard is the UK implementation of EN 12390-3:2009, incorporating corrigendum August 2011. It supersedes BS EN 12390-3:2002 which is withdrawn.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by CEN corrigendum August 2011 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee B/517/1, Concrete production and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2009
