Safety requirements for bonded abrasive products

National foreword

This British Standard is the UK implementation of EN 12413:2019. It supersedes BS EN 12413:2007+A1:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MTE/13, Grinding wheels, abrasive tools, paper and cloths, and powders.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
