

BSI Standards Publication

Magnesium and magnesium alloys - Magnesium alloys for cast anodes

National foreword

This British Standard is the UK implementation of EN 12438:2017. It supersedes BS EN 12438:1998, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/111, Steel Castings and Forgings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
