

BS EN 12473:2014

BSI Standards Publication

General principles of cathodic protection in seawater

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 12473:2014. It supersedes BS EN 12473:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/603, Cathodic protection.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
