Artificial climbing structures

Part 2: Safety requirements and test methods for bouldering walls

National foreword

This British Standard is the UK implementation of EN 12572-2:2017. It supersedes BS EN 12572-2:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SW/136/19, Artificial climbing structures.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
