**Textile floor coverings — Assessment
of impregnations in needled floor
coverings by means of a soiling test**

National foreword

This British Standard is the UK implementation of EN 1269:2019. It supersedes BS EN 1269:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/3, Textile floor coverings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
