Execution of special geotechnical work — Grouting

National foreword

This British Standard is the UK implementation of EN 12715:2020. It supersedes BS EN 12715:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/526, Geotechnics.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
