

BSI Standards Publication

Testing of welded joints of thermoplastics semi-finished products

Part 2: Tensile test

National foreword

This British Standard is the UK implementation of EN 12814-2:2021. It supersedes BS EN 12814-2:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/80, Welding thermoplastics.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
