

Anaesthetic and respiratory equipment — Tracheostomy tubes

Part 1. Tubes for use in adults

The European Standard EN 1282-1 : 1996 has the status of a
British Standard

ICS 11.040.10

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee CH/45, Tracheal tubes and related equipment, upon which the following bodies were represented:

- Association of Anaesthetists of Great Britain and Ireland
- Association of British Health-care Industries
- British Anaesthetic and Respiratory Equipment Manufacturers' Association
- British Paediatric Association
- British Surgical Trades Association
- Department of Health
- Medical Sterile Products Association
- National Association of Theatre Nurses

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 May 1997
