

Microbiology of food and animal feeding stuffs — Horizontal method for the detection of *Salmonella*

The European Standard EN 12824 : 1997 has the status of a
British Standard

ICS 07.100.30

National foreword

This British Standard is the English language version of EN 12824 : 1998 published by the European Committee for Standardization (CEN). It supersedes BS 5763 : Part 4 : 1993 which is withdrawn..

The UK participation in its preparation was entrusted to Technical Committee AW/9, Microbiology, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled 'International Standards Correspondence Index', or by using the 'Find' facility of the BSI Standards Electronic Catalogue.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
