Copper and copper alloys - Scrap

National foreword

This British Standard is the UK implementation of EN 12861:2018. It supersedes BS EN 12861:1999, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NFE/34, Copper and copper alloys.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
