

Shell boilers —

Part 10: Requirements for feedwater and boiler water quality

The European Standard EN 12953-10:2003 has the status of a
British Standard

ICS 13.060.25; 27.060.30; 27.100

National foreword

This British Standard is the official English language version of EN 12953-10:2003.

When reference to this part of the European Standard has been published in the Official Journal of the European Communities (OJ), compliance with it will confer a presumption of conformity with the essential safety requirements of the Pressure Equipment Directive covered by this part of the standard.

The UK participation in its preparation was entrusted to Technical Committee PVE/16, Shell boilers, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
