Shell boilers

Part 5: Inspection during construction, documentation
and marking of pressure parts of the boiler

National foreword

This British Standard is the UK implementation of EN 12953-5:2020. It supersedes BS EN 12953-5:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/2, Water Tube And Shell Boilers.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
