Thermal solar systems and components - Custom built systems

Part 4: Performance test methods for solar combistores

National foreword

This British Standard is the UK implementation of EN 12977-4:2018. It supersedes BS EN 12977-4:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/25, Solar Heating.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
