Glass in building — Thermally toughened borosilicate safety glass

Part 1: Definition and description

National foreword

This British Standard is the UK implementation of EN 13024-1:2011. It supersedes BS EN 13024-1:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/520/1, Basic and transformed glass products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
