

BSI Standards Publication

Stationary waste containers up to 5 000 l, top lifted and bottom emptied

Part 2: Additional requirements for underground or partly underground systems

National foreword

This British Standard is the UK implementation of EN 13071-2:2019. It supersedes BS EN 13071-2:2008+A1:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/508/1, Waste containers and associated lifting devices on refuse collection vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
