Manufactured articles filled with feather and down - Method for the determination of a filled product's total mass and for the determination of the mass of the filling

National foreword

This British Standard is the UK implementation of EN 13088:2018. It supersedes BS EN 13088:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TCI/66/3, Fillings and filled articles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
