

Transportable gas cylinders — Conditions for filling gases into receptacles — Single component gases

The European Standard EN 13096:2003 has the status of a
British Standard

ICS 23.020.30

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 13096:2003, incorporating corrigendum May 2006. It partially supersedes BS 5355:1976.

The UK participation in its preparation was entrusted by Technical Committee PVE/3, Gas containers, to Subcommittee PVE/3/7, Gas cylinder (receptacle) operations.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 24 February 2004
