

BSI Standards Publication

Non destructive testing of welded joints of thermoplastics semi-finished products

Part 1: Visual examination

National foreword

This British Standard is the UK implementation of EN 13100-1:2017. It supersedes BS EN 13100-1:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/80, Welding thermoplastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
