

BSI Standards Publication

Non-destructive testing of welded joints in thermoplastics semi- finished products

Part 2: X-ray radiographic testing

National foreword

This British Standard is the UK implementation of EN 13100-2:2019. It supersedes BS EN 13100-2:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/80, Welding thermoplastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
