

**Flexible sheets
for waterproofing
— Underlays for
discontinuous
roofing and walls
— Determination of
resistance to water
penetration**

ICS 91.100.50

National foreword

This British Standard is the UK implementation of EN 13111:2010. It supersedes BS EN 13111:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/546/5, Flexible building membranes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2010
