Windows — Classification of mechanical properties — Racking, torsion and operating forces

National foreword

This British Standard is the UK implementation of EN 13115:2020. It supersedes BS EN 13115:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/538/1, Windows and doors.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
