

Transport packaging — Reusable, rigid plastics distribution boxes —

Part 1: General purpose application

The European Standard EN 13117-1:2000 has the status of a
British Standard

ICS 55.160

National foreword

This British Standard is the official English language version of EN 13117-1:2000.
The UK participation in its preparation was entrusted by Technical Committee PKW/5, Primary packaging, and distribution and transport packaging, to Subcommittee PKW/5/25, Rigid plastics packaging, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
