Building hardware - Hardware for windows and door height windows - Requirements and test methods

Part 6: Variable geometry stay hinges (with or without a friction stay)

National foreword

This British Standard is the UK implementation of EN 13126-6:2018. It supersedes BS EN 13126-6:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/538/4, Building hardware.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
