Ventilation for buildings - Performance testing of components/products for residential ventilation

Part 1: Externally and internally mounted air transfer devices

National foreword

This British Standard is the UK implementation of EN 13141-1:2019. It supersedes [BS EN 13141-1:2004](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/2, Ventilation for buildings, heating and hot water services.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
