

BSI Standards Publication

# **Railway applications — Track — Test methods for fastening systems**

Part 6: Effect of severe environmental  
conditions

**National foreword**

This British Standard is the UK implementation of EN 13146-6:2012. It supersedes BS EN 13146-6:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/2, Railway Applications - Track.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
