Leak detection systems

Part 1: General Principles

National foreword

This British Standard is the UK implementation of EN 13160-1:2016. It supersedes BS EN 13160-1:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/393/2, Leak detection devices.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
