Road restraint systems

Part 1: Terminology and general criteria for test methods

National foreword

This British Standard is the UK implementation of EN 1317-1:2010. It supersedes BS EN 1317-1:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/509/1, Road restraint systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
