

BS EN 13194:2015

BSI Standards Publication

Chemicals used for treatment of water intended for human consumption — Acetic Acid

National foreword

This British Standard is the UK implementation of EN 13194:2015. It supersedes BS EN 13194:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CII/59, Chemicals for drinking water treatment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
