

BS EN 13212:2011

BSI Standards Publication

Road marking materials — Requirements for factory production control

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 13212:2011. It supersedes BS EN 13212:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/509/2, Horizontal road markings and road studs.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
