

BSI Standards Publication

Safety requirements for cableway installations designed to carry persons — Electrical equipment other than for drive systems

National foreword

This British Standard is the UK implementation of EN 13243:2015. It supersedes BS EN 13243:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/20, Aerial ropeways.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
