Railway applications - Electrical lighting for rolling stock in public transport systems

Part 2: Urban rail

National foreword

This British Standard is the UK implementation of EN 13272-2:2019. Together with BS EN 13272-1:2019, it supersedes BS EN 13272:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/4/-/7, Railway Applications - Lighting.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
