Respiratory protective devices - Methods of test

Part 7: Determination of particle filter penetration

National foreword

This British Standard is the UK implementation of EN 13274-7:2019. It supersedes [BS EN 13274-7:2008](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/4, Respiratory protection.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
