Stationary source emissions – Determination of low range mass concentration of dust

Part 1: Manual gravimetric method

National foreword

This British Standard is the UK implementation of EN 13284-1:2017. It supersedes BS EN 13284-1:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EH/2/1, Stationary source emission.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
