National foreword

This British Standard is the UK implementation of EN 13286-2:2010, incorporating corrigendum November 2012. It supersedes BS EN 13286-2:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/510/4, Cementitious bound materials, unbound granular materials, waste materials and marginal materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
